"Health Coffee" is really the closest coffee imitation ever yet produced. This clever coffee substitute was recently produced by Dr. Shoop, of Racine, Wis. Not a grain of real coffee in it either. Dr. Shoop's health coffee is made from pure toasted grains, with malt, nuts, etc. Really it would fool an expert, who might drink it for coffee. No 20 or 30 minutes tedious boiling. "Made in a minute" says the doctor. Sold by Penny's Drug Store.

Costing about as much as a good horse, the camel's speed is equally as great, his life considerably longer and his ability to carry a load equal to that of three horses, while the fact that he can travel a week, if necessary, nearly two weeks, without water, renders him invaluable to those great sandy stretches, says the National Geographical Magazine. THE time having passed for any one else to enter the race for the Democratic nomination for Congress in the Eighth district, it is now the duty of the Committee to declare, the Hon. Harvey Helm the nominee. For several reasons we are glad to see the certificate of nomination thus handed over. The hard fought battle for the first nomination, his splendid efforts and glorious success in the final race, and the untiring efforts in behalf of his constituents entitles him to such honor and distinction. With the "Tail Sycamore" to lead in the fight for Democratic supremacy in the Eighth this fall, we can not only look forward for a grand and glorious victory for himself but also an unprecedented victory for that chief of chieftains, the Hon. William Jennings Bryan, who is certain to be the leader of the Democratic forces in the great struggle which is soon to come. —Mt. Vernon Signal.

How to Cure Your Piles

If sufferers from piles and rectal diseases would first try a reliable laxative like Dr. Caldwell's Syrup Pepsin instead of using external salves and suppositories, or having an operation performed, they would save themselves a world of trouble, expense and pain. The reason is that in nine cases out of ten piles are the result of habitual constipation, and when once the constipation is thoroughly cured the piles disappear.

Piles are to constipation what pimples are to bad blood, simply an outward symptom. And just as face lotion doesn't half as good for pimples as a good blood medicine, so salves and suppositories aren't half as good for piles as a reliable laxative like Dr. Caldwell's Syrup Pepsin.

A 50 cent or \$1 bottle will prove these claims, and every druggist is authorized to guarantee results. Hundreds of people have written us that Dr. Caldwell's Syrup Pepsin is the best pile cure they know of, and it is surely worth a trial from you. Not only will it cure the piles but it will permanently correct bowel trouble so that you will have regular movements. It will tone the stomach and make digestion easy for you.

Dr. Caldwell's Syrup Pepsin is the best remedy for constipation, dyspepsia, biliousness, flatulency, and all resultant troubles, such as piles, arising from disordered stomach, liver or bowels. Its gentle action and pleasant taste make it especially suited to children and all who are too weak to stand purgative waters, salts and gripping powders and tablets. A physic is not what pile sufferers need, but steady, easy bowel movements, and these can be obtained by the use of this wonderful remedy. It brings about a permanent home cure at a minimum of expense.

FREE TEST Those wishing to try Dr. Caldwell's Syrup Pepsin before buying can have a free sample bottle sent to their home by addressing the company. This offer is to prove that the remedy will do as we claim, and only open to those who have never taken it. Send for it if you have any symptoms of stomach, liver or bowel disease. Gentlest yet most effective laxative for children, women and old folks. A guaranteed, permanent home cure. THE PUBLIC VERDICT: "No Laxative So Good and Sure as DR. CALDWELL'S SYRUP PEPSIN." This product bears purity guarantee No. 17, Washington, D. C. **PEPSIN SYRUP CO.** 119 Caldwell Bldg., Monticello, Ill.

Many insurance companies have cancelled their policies in the Tobacco District and others have ceased writing at a time when the farmer needs them the most. "A Friend in Need is a Friend Indeed." Those who believe that thirteen is an unlucky number should fight shy of silver quarters. A startling discovery has been made by a writer in the current Harper's Weekly which should give pause to all possessors of quarters. The typical United States quarter, it appears, has 13 stars, 13 letters in the scroll held in the eagle's beak, 13 marginal feathers on each wing, 13 lines in the shield, 13 horizontal bars, 13 arrow heads and 13 letters in its name. Who would keep a quarter?

Tired nerves, with that "no ambition" feeling that is commonly felt in Spring or early Summer, can be easily and quickly altered by taking what is known to druggists everywhere as Dr. Shoop's Restorative. One will absolutely note a changed feeling within 48 hours after beginning to take the Restorative. The bowels get sluggish in the winter-time, the circulation often slows up, the kidneys are inactive, and even the heart in many cases grows decidedly weaker. Dr. Shoop's Restorative is recognized everywhere as a genuine tonic to these vital organs. It builds up and strengthens the worn-out weakened nerves; it sharpens the failing appetite, and universally aids digestion. It always quickly brings renewed strength, life, vigor and ambition. Try it and be convinced. Sold by Penny's Drug Store.

The president of a mixed Thirteen Club in Wheeling concluded a recent address thus:

"And now, ladies and gentlemen, I beg to announce a gratifying discovery. We all wear just thirteen garments. Males and females alike, our garments number just thirteen."

"A man wears two shoes, two socks, one undershirt, one pair of drawers, one shirt, one collar, one tie, one pair of trousers, one vest, one coat, one hat. Total thirteen."

"A woman wears two shoes, two stockings, one undervest, one chemise, one corset, one pair of—er—unmentionables, one petticoat, one skirt, one bodice, one belt, one hat. Total thirteen."

Twenty-four hands beat together in boisterous applause.

If any one has any doubt as to the virtue of Foley's Kidney Cure, they need only to refer to Mr. Alvin H. Stimpson, of Williamstown, Conn., who, after almost losing hope of recovery, on account of the failure of so many remedies, finally tried Foley's Kidney Cure, which he says was "just the thing" for him, as four bottles cured him completely. He is now entirely well and free from all the suffering incident to acute kidney trouble. Penny's Drug Store.

"Let me see some of your black kid gloves," said a lady to a shopman. "These are not the latest style are they?" she asked, when the gloves were produced.

"Yes, madam," replied the shopman. "We have had them in stock only two days."

"I didn't think they were, because the fashion paper says black kids have tan stitches and vice versa. I see the tan stitches, but not the vice versa."

The shopman explained that vice versa was French for seven buttons, so she bought three pairs, says the Detroit Free Press.

Notice To Our Customers

We are pleased to announce that Foley's Honey and Tar for coughs, colds and lung troubles is not effected by the National Pure Food and Drug law as it contains no opiates or other harmful drugs, and we recommend it as a safe remedy for children and adults. Penny's Drug Store.
